

LE MINT'S

# SURGICAL AND PROSTHETIC PRINCIPLES

A TWO DAY COURSE

## COURSE DESCRIPTION

In association with Le Mints's Oral Maxillofacial Surgery Unit, the Surgical and Prosthetic Principles course provides a comprehensive overview of dental implants and its components, procedures, and expected treatment outcomes. Using advanced technologies, this proven program will cover the fundamental clinical aspects of implant placement and restorations, and help you to incorporate dental implants into your practice.

*Take this opportunity to learn skills which may benefit both you and your patients!*

**Main Speaker:** Dr. Tan Min Seet  
**Demonstrator:** Dr. Lee Fuen Fuen  
**Invited Speakers:** Dr. Matthias Quake ■ Dr. Yao Chao Shu
